

Writing Guidance

This is an example of a piece of writing from the perspective of a female lion.

Miss Browns WAGOLL (What a good one looks like)

I am hungry, no I am starving, every part of my body longs for food. My tummy is rumbling like a volcano about to erupt. My mouth is salivating like a dog waiting for dinner. My brain cannot focus on anything else. I need food. It has been a long day with my pride, the other female lions and I have been on the hunt for food all morning and yet we have found nothing. A few of the others have started to squabble and fuss but not me, I know I must keep laser sharp focus if I want to bring home dinner today.

I hear a noise, my ears twitch and my shoulders begin to arch. I can see dinner.....

## Maths Guidance

Click on the link below:

<https://whiterosemaths.com/homelearning/year-3/>

You should then see this:

The screenshot shows the White Rose Maths website interface. The top navigation bar includes 'White Rose Maths', 'Resources', 'Professional Development', 'Home Learning' (highlighted in pink), 'Who We Are', 'News', a search icon, and 'Resources Centre'. Below the navigation bar, a breadcrumb trail reads 'Home / Home Learning / Home Learning - Year 3'. The main content area is titled 'Home Learning - Year 3' and features a pink bar for 'Summer Term - Week 5 (w/c 18th May)'. Underneath, 'Lesson 1 - Unit and non-unit fractions' is selected, displaying a video player and a diagram of shapes. A sidebar on the right lists navigation options: 'Home Learning', 'Easter Fun', 'Summer Term', and 'Home Learning - Year 1' through 'Year 8', with 'Home Learning - Year 3' highlighted.

If you press the – in the pink bar your screen should then look like this:

This screenshot shows the same website interface, but the pink bar for 'Summer Term - Week 5 (w/c 18th May)' is expanded to show a list of weeks with plus (+) and minus (-) icons. The list includes: 'Summer Term - Week 5 (w/c 18th May)', 'Summer Term - Week 4 (w/c 11th May)', 'Summer Term - Week 3 (w/c 4th May)', 'Summer Term - Week 2 (w/c 27th April)', 'Summer Term - Week 1 (w/c 20 April)', 'Week 2', and 'Week 1'. The sidebar on the right remains the same, with 'Home Learning - Year 3' highlighted.

Click on the pink tab which says 'Summer Term – Week 3 (w/c/ 4<sup>th</sup> May)

This screenshot shows the website interface with 'Summer Term - Week 3 (w/c 4th May)' selected in the pink bar. The main content area displays 'Lesson 1 - Add fractions' with a video player and a problem-solving activity. The sidebar on the right is the same as in the previous screenshots, with 'Home Learning - Year 3' highlighted.

**Stem sentences:**

'A fraction is any **part** of a group, number or whole'

$\frac{1}{5}$  'The whole is divided into 5 equal parts. Each part is one fifth of the whole. I have 1 equal part.'

'The denominator (bottom number) tells us how many parts the whole is divided into'

'The numerator (top number) tells us how many parts we have or are looking at'

**Miss Brown's Favourite maths fact:** The line part of the fraction is called the **vinculum**

(or you can just call it the fraction bar)
