L.O: We are learning to use noun phrases

T

I am having a ~~thru~~ **hot day**. It's
even too hot to milk the cows. I heard
my mum talking I felt **hot**.
The next day my granddad told me
about the secret of **rain** he told me
to climb the **highest mountain**.
So I walked and walked and walked
soon I found it I climbed **high**
I was at the top of the mountain.
I was there all **day** ~~my legs~~.
I told the sun the **secret**
sings. I told the sun the time
when my mum was cooking and
she burnt her hand. I told the
time when my brother was chasing
a child and he broke his leg.
Then I felt **soaring hot**.
It was raining then I ran down
every one was happy
