description in our writing.

3. The storm

4. Waves were crashing and banging
all over the place. The boat was creaking
and bashing on all corners. Then the boat
gave up. The man was saying help. It
was foaming like someone ~~was~~
punching you. The cat was calmly
~~steering~~ and lazily sleeping but when
she got wet she started to hiss. The
wind was howling madly like a wolf.
They caught the fish. Then they went
back to the boat. Then they arrived at
the harbor and as soon as they parked.

They went around town and gave away
the fish but when they arrived at home
the cat was hungry. Then the man fed
the cat who was hungry her favorite
food.

Waves were crashing and banging
all over the place.
