

Vocabulary to appeal to the reader and bring the scene alive

What other precise words could you include?

clouds floating    warmth of the rays    sand as soft as ....,    grains    transparent

abandoned            tranquil            lapping waves    foam    shore

illuminate            dazzling    beaming    turquoise

Questions to help plan the writing. Don't forget to include conjunctions!

What time of day is it? What happened before? What will happen next? What is on the sand behind the photographer? Why is it quiet? What sounds can be heard and why? What would the people be wearing and why?
