LO: We are learning to use coordinating conjunctions.

First walk to or stay for the afternoon  
tell the grass the prettiest and  
sillyest thing you know, next  
dig a hole in ~~the~~ the ground  
and stay there for ten days  
Then you dig back  
to your country and at that  
time it be sunny because  
you ~~and~~ the grass your stay  
stuff?

✓ I really enjoyed these amazing!
