

One Monday morning, there was a fisherman named Tom, who lived with a cat called Mowser. Tom had a grey beard, moustache, a hat and large brown bright eyes. Tom was careful, and when he spilled milk, Tom poured milk at Mowser, and Tom didn't spill milk. Mowser was a black and white cat. They lived in a small house which was a few miles from the sea. Tom's family was dead, Mowser's family of kittens was dead and Mowser was alone. At 2:00 in the afternoon, Tom heard something, it was a very loud noise. The water was very hot and the water was very hot. The water was very hot and the water was very hot.
