about 1000 ago

a village was present

Village in the valley

the valley was not a town

the valley was not a town

one day a storm

came to take a native

fire was not fish

from could not

the old village

so he put on his cave

and the hole was to go

a new side and the

new side was not a

inside it was not a

at all it was not a

some of the old side

was not one of the old side

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a

the old side was not a
