

Thursday 3rd October
L.O: We are learning to write poetry

~~The man is walking in the dark~~ The
sleep walking ghost hiding behind a
barrel. ~~zombies walking~~
behind a tip.
a man is lonely in the heath.
spiders creep in the dark fog.
whispering about along the road
a poisonous snake slithers along
the ground.

Beautifully descriptive work, Blake.

E.B.1 - Add an adjective to describe the walkers and spiders.
