

History Thursday 17<sup>th</sup> October 2019

we are learning to address and sometimes derive historically valid questions ~~and~~ about change, cause similarity and difference, and significance. we are learning to use evidence to support arguments.

## How life has changed since world war II

~~soldiers~~: soldiers:

The soldiers today have better technology and armory than soldiers in the past. The soldiers in the past ~~was~~ had tough times but soldiers today would ~~to make~~ be easier because they have stronger guns and tanks to fight ~~sight~~ and they would know what is coming.

~~the teachers~~:

In the past ~~teachers~~ teachers would ~~of~~ had lots of ~~eraches~~ ~~eraches~~ coming but today teachers would not ~~to~~ have lots of ~~eraches~~ coming in and they know ~~to~~ ~~the~~ ~~children~~ but before the teachers would not know what ~~what~~ the children are.

parents:

Parents today ~~did~~ <sup>do</sup> not have to give ~~the~~ ~~children~~ away ~~to~~ ~~also~~ ~~to~~ but the parents in the past gave their children away to keep them safe from bombing.
