Break Time Snacks & Packed Lunches

A reminder that we are a nut free school and any food brought in from home cannot contain nuts. This can make some of our children very sick and even be life-threatening. Some of the new snacks allowed at breaktime could increase the chances of nuts being brought into school, so please take extra care when reading labels. Even 'may contain nuts' items shouldn't be brought in.

Late Children

If children are late to school, after the gate closes at 8:50am, then they must be walked down the path to the school office by their grown up and signed in. It is not appropriate for children to walk down on their own as after 8:50, the car park is no longer pedestrianised. The adult also needs to provide a reason for the child being late and ensure they've selected a lunch.

After School and Breakfast Club Reminders

Our wrap around care clubs are regularly full so please make sure bookings are made at least 7 days in advance. We cannot accommodate any late bookings unless in an absolute emergency, determined by SLT. Please ensure you carefully book for the days you require. Unfortunately, if your child is not listed, you will be asked to collect them from the school office and this can be really unsettling for the children.

Calpol 6+ Request

Calpol is in short supply for children older than 6. If you are able to donate a bottle to the office it would be very much appreciated. Thank you

Illness Reminders

With the colder weather there comes an increase in coughs and colds etc. If your child is under the weather and you're not sure if they should stay home or not, give them some calpol before school and send them in to see how they go. If your child really isn't well, we'll give you a call to collect them.

Pupil Data Collection

We no longer send home the pupil data sheet for parents to check and amend. If there are any changes that need to be made please ensure you complete the **Change of Contacts Form** <https://www.saxonprimary.co.uk/form/?pid=140&form=17> which can also be found on our website under Parents > Online Forms.

Parking

There has been further irresponsible parking outside the school gates. A reminder to please refrain from parking on yellow lines, over driveways or partially blocking the neighbours' access, even if just for a few minutes. It's not only upsetting for the residents, it creates an unsafe situation for the children. Thank you

KS2 Silent Disco

We have just 3 spaces left for the KS2 Silent Disco. If you would like your child to attend, please logon to SCOPay to purchase your ticket. The event will go off line on Monday 11th December at 12pm (or before if sold out).

Year 5&6 Girls' Football

Last Friday, our girls' team played their first match of the season. Even though they didn't win, they showed brilliant spirit and teamwork, and played really well! Congratulations to

Oracy Question of the Week

'Would you rather live in the same place forever or live in a new place every year?'

Recommended Reads

This week's recommendation is from Miss Doughty and is called 'The Pet Potato' by Josh Lacey.

Albert is so desperate to get a pet, he'll take anything - a cat, a dog, giraffe... he's not fussy, so he's super excited when Dad finally brings a pet home. There's just one problem: it's a potato. Potatoes can't do anything a proper pet does... can they?!

You're going to come in contact with an awful lot of people who are at their absolute breaking point this season. Friends, family, co-workers, teachers, strangers in the grocery store, retail workers.

While it may be the merriest time of the year for some, it's the saddest, loneliest, most stressful, most heartbreaking for so many others.

We're all busy, but we're not too busy to be kind, caring and patient. Remember the best thing you can give someone right now is love.
