Year 5 Residential – Bowles 2024
Friday 22nd March 2024- Sunday 24th March 2024

## BEHAVIOUR CODE OF CONDUCT

The purpose of this contract is to ensure children and staff have an enjoyable and rewarding visit. It is important that students are safe and are good ambassadors for themselves and our school.

As such, children should:
- Be polite and well-mannered at all times
- Listen carefully to instructions given to them by staff.
- Obey the rules of **Bowles Activity Centre** or those given by the members of staff in charge, particularly in relation to safety, sleeping, eating and tent allocation.
- Respect the safety and property of others at all times.
- Normal school rules, as outlined in the behaviour policy, apply at all times whilst on the visit.

We would obviously not expect there to be any problems, but because staff will be "in loco parentis" during the trip, it is important that parents are fully aware of the actions which would be involved should these ever be necessary.

These are briefly as follows:-
- Children will be reprimanded by staff and given a verbal warning about their future conduct. If their behaviour jeopardises in any way their own or others' safety, they may be removed from an activity.
- Parents will be contacted and informed of any persistent problems with behaviour.
- In extreme cases, the decision may be made to send a child home. If this is the case, the parents will be responsible for all the extra costs involved.
- Children who fail to observe this contract may face both an exclusion on their return and a ban on being able to participate in future school visits/residentials.

We are confident that these sanctions will not be needed.

**However please read this document, discuss it with your child, and sign in agreement below, keeping one copy for your own records and returning the other to the school.**
