

# Super writing Oskar!

Wednesday 13<sup>th</sup> November

LO: We are learning to re-read our writing and check it makes sense.

I think someone  
who was ~~stealing~~ by  
bades ~~& baddies~~ and he is a  
good guy and he didn't  
give all of his weapons  
away he still had one  
so he shot his way  
out and ran as quick  
he could and he found  
the house and then he  
went a bit to house again.
