Dear Mother

How are you and where are  
I? What are those  
green things? I am  
so glad that I finally  
escaped from that horrible  
witch! I hope you are  
well? I haven't had  
any nice food in my life!  
How are you feeling?  
It was so horrible being in  
that corner! I want to  
go back to the tent  
~~and~~ otherwise the  
witch will put a terrible  
curse on me. So I got  
lost in the forest.
