L.O: We are learning to write in the past tense

Dear diary  
I have been ~~to~~ sitting in this room  
for years. I am so bored. I have not seen  
them yet. I <sup>want</sup> want to have my family <sup>here</sup>  
back. I had a good family nobody is better.  
My life before was good. I had a load of  
toys before now I don't have any. I hate  
it here. I love my family! When I grow  
up I <sup>want</sup> want to go home. I want to be  
free so badly.
