Shepperton Green's New Sign

Eagle-eyed families will have noticed the new Shepperton Green sign that has gone up this week, just at the entrance to Rosewood Drive. This was designed by Jake (6L) during a recent competition the council held. A huge well done to Jake – we think the sign looks fantastic!

Year 5 & 6 Careers' Fair

Following the success of our first Careers' Fair last summer, we are holding this event again for our upper KS2 children. Families were sent the poster earlier this week along with the link to the form to sign up if you're able and willing to support this opportunity for the children. If you think you can spare just one afternoon to help inspire the next generation on the world of work, please follow this link to sign up: <https://forms.gle/yFJHtn2PGXG8E1rQ9>

We really appreciate your support and it's a wonderful experience for the children.

Reading

On Arts Day, 5A read two books that they really enjoyed and would recommend. They are 'I Am An Artist' by Marta Altes and 'Maybe Makes An Artist' by Addison & Carr Fullagar.

I Am An Artist

Meet the boy who can't stop creating art! He loves colours, shapes, textures and EVERYTHING inspires him: his socks, the contents of the fridge, even his cat gets a new coat (of paint!). But there's just one problem: his mum isn't quite so enthusiastic. In fact, she seems a little cross! But this boy has a plan to make his mum smile. He's about to create his finest piece yet and on a very grand scale . . .

Maybe Makes An Artist

Meet Addie, a cool kid who's stuck in the summertime blues. But guess what? Her wise mom spills the beans - being bored is like a secret treasure chest for making super cool stuff! Armed with a magic box of art goodies and a nifty paintbrush, Addie dives into the wild world of imagination.

Hold on tight as Addie transforms into a creative wizard as she imagines herself as the creator of many different famous works of arts from paintings like the Mona Lisa and sculptures like the Statue of Liberty, and even becomes a fashion trend setter. It's like a crazy carnival of artistic awesomeness!
