Dear Mr Wouls

How did you end up in jail?

Does any one like you? Is the good nice in jail? I feel very sorry for you. I feel very sad because you eat my brothers. I would really like you to come to Christmas.

I was so mean I am so sorry. I am going to invite you for a Christmas party.

I hope you will have a nice day. I hope you will enjoy the party that I am inviting you to.

Best wishes the third little pig.
