We are learning to draft and write by selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning.

The use of ~~prop~~ propaganda was ~~also~~ ^{essential} in ~~the~~ helping the Nazis maintain control over the German people.

S.12.14 Propaganda was the art of telling lies. Hitler used propaganda to ^{get} influence the people of Germany believing Jews were evil ~~and~~ and lots of other things. It was used by everyone, allies and axis. It could have been brilliant or it could have been ~~at least~~ ^{Strofi} catastrophic. ~~Fortunately~~, it was better ^{when} propaganda was used, which was endlessly, it could have a really big impact on someone's life. But when it is not ~~for~~ no one knows what is real and what is fake. Now propaganda is used all the time and ~~almost~~ hardly any one notices.

The State of Deception

Propaganda was used to make the universal ^{weil} the German family ~~was~~ was joy full. ~~the~~ The mother has a white head scarf like a maid would. ~~for~~ This means ~~that~~ that the ~~mother~~ mother did not play a very important role in the family and was treated like a maid.
