

Job Title: Eco Leader

Vacancy: Autumn I – Summer II

Positions Available: x1 position per class in Year 1 – Year 6

Job Description

The Eco Leaders will be required to support the Sustainability Leader, Mrs Atkinson, with key initiatives to promote and carry out activities to enhance sustainability in school.

You will be responsible for:

- Attending regular meetings to plan and carry out eco-friendly initiatives
- Inspire other pupils and wider school community to get involved by sharing ideas in assemblies and in newsletters
- Share progress and achievements with the school community to celebrate efforts and motivate others through posters and displays.

Training will be given and support provided throughout the term of the appointment.

Who are we looking for?

We are looking for someone who is responsible, caring, and passionate about protecting the environment. They are a great team player who listens to others and shares ideas, showing leadership by inspiring others to make eco-friendly choices. Creative and organised, they are always looking for new ways to improve the school's sustainability and encourage everyone to take part in making a positive difference.

Application:

Create a poster to show your ideas to help make Saxon even more sustainable and eco-friendly.

Application open: **Wednesday 1st July**

Application closes: **Monday 6th July**
