- Listen to your classmates thoughts and ideas about school life and bring them to our council meetings.
- Help organise exciting events like Culture Days, festival celebrations, Neurodiversity Week and special assemblies.
- Walk around the school with teachers to look at our displays, library books and playground. You will help us check if they reflect and celebrate all the different types of people in our world.
- Help teachers look at school rules and playground games to make sure nobody is being accidentally left out or treated unfairly.
- Share what the council is doing by speaking in assemblies or writing a column for the school newsletter.
