We are learning to use Pargyes to ^{my} write our writing.

Years ago there lived a boy and his name was called ug. ug used black, shing and ungettable trashes they wer galled with stone that why it was called the stone age. He is very chuppy, snelly and cold. He's geet small as bad as roton chees. He's hair is as spiky as a heghog. His hair is snelly because he hast to wash it. He is very dirty and grizing because he has stone trashes and sleep on a muddy bed. He has very tiny eyes and they are thin he beik very clippy as soon as you clik.

ug achucked is unushal, he like to ark qeshod like and he is very many because he avals like why can't we have this I don't like this. hes mum and dad avals say kick the ball but ug says it is to hard and it hert my foot. when I go kick it ug avals sands up for his self. He is very agree because his mum and dad never let him do stug that he wants to do. He his unfused because he don't know why his peartos don't let him do stug that he want to do. He oston gets cross.
