

2nd October **WEEKLY NURSERY NEWSLETTER**

This week the children have been learning about different emotions. The children have been introduced to the Zones of Regulations. They have been learning how a colour relates to an emotion. The children are starting to understand that if we ask them what colour they are feeling they may say "Green" which means happy or "Red" which means angry.

We hope you have a lovely weekend.

BOOK OF THE WEEK

The children have started to learn a phonics sound. The sound of the week is 'S'

They have been looking at objects that begin with 'S'

IN MATHS, WE HAVE BEEN LEARNING:

To notice patterns in rhymes and songs

REMINDERS

ALL ABOUT ME FORMS – Thank you for returning these forms.

Up coming events:

November – Parents meetings

Stay and Play sessions

Information will be shared after half term

PHOTOS NEEDED

We are receiving your photos. Thank you

If you haven't done this, please pass photos on to a member of staff or you can also upload them to Tapestry and we can print them off. Thank you so much.
