22nd September 2025

Dear Year 1 Families,

**Year 1 Space Workshop
Tuesday 18th November 2025**

On Tuesday 18th November, the Year 1 children will take part in a Space Workshop at school organised by Science Horizons.

Linking to our History curriculum, the children will take part in a structured day of space-themed learning. Through a range of engaging and hands-on activities, they will explore topics such as astronauts, the 'Space Race' and Neil Armstrong's story. The day will also include opportunities for creative learning and role play, helping to enrich their understanding in an enjoyable and memorable way.

To cover the cost of this exciting experience we are asking for a voluntary contribution of **£7.00** per child. Please could you log into your SCOpay account make payment, on or before **Friday, 14th November 2025**.

Please reach out if you have any questions. We are very much looking forward to an immersive and exciting day!

Kind regards,

Miss Skulczuk and Miss Bowman
