We are learning to use the appropriate voice.

Dear Diary,

Today was amazing; I had my very own party, ^{me!} I've never had one before. ^{Mr Tom} Tom got me some pots of paint, ^{that they had my name on them} they did. As Mr Tom liked my picture, next time ^{I do it myself} I might paint it with ~~them~~ colours. Also Lucy made me a delicious chocolate cake. In my nine years ^{of} my life I had never eaten cake but now I know that it is so delicious. The icing was so sweet I could have eaten ^{all of} the entire icing. ^{of the cake} I can't believe they went ^{into} all that trouble to put up the banners, make the food and set up the party for me!

surprise

On the way to the party, Zach dragged me the whole way! When we got to the door of Mr Tom's cottage, he ^{wanted} ~~was~~ ^{insisted} ~~insisted~~ ^{myself for} ~~I~~ ^{go} in first. I was very curious. I was thinking why Zach would let me go first. When I opened the door and everyone from the ^{neighbourhood} neighbourhood shouted, "Surprise!" I jumped, it turned out they were planning me a surprise party. I saw lots of presents and realised ~~they~~ were mine. I was very grateful for their ^{effort} hard work.

During the party, Zach shouted, "Show them your picture Willie!" I did not want to make a fuss about it so I showed them nervously and they were impressed. It was only a picture, I didn't use any colour. It wasn't that amazing. I was surprised that they ^{actually} liked it. I ~~didn't~~ think it was that good. I felt embarrassed everyone was looking at me. I thought I was gonna through up! ^{Mr Tom} Tom ~~was~~ walked over and told me I could draw very well and that I should use them ^{that Mr Tom got me} paints to colour it.

Mr Tom told me to open my presents, so I did. Zach got me a new

sketch pad with colours, Mr Tom got ~~myself~~ ^{helped} pots of paints and Carrie ~~got~~ ^{helped} Lucy bake me a cake! Carrie told me that if I cut into the cake and blow out the candles, I could make a wish! Then Zach told me that if I say it out loud ^{my wish will not} ~~it will not~~ come true, so I said it in my head and blew out the candles whilst cutting me cake. The cake was amazing. If I could ^{read} ~~read~~ I would ask Lucy for the recipe and bake it myself every day.

When Lucy presented me with the cake I was shocked! I cannot believe she took the time to make it for myself. Ever since I had met her, she'd been quiet and shy. It made me feel happy that she made it herself. It was delicious. I had an amazing day and I am sad that it had to come to an end. The only bad part was at the end I was so happy I ~~thorowited~~ ^{that} ~~thorowited~~. Again, I still had the best day though. I could barely sleep the night after. Anyway I need to have dinner.

I have used the appropriate voice making my writing in Willie's birthday voice.

EBI Take care not to be grammatically incorrect, but rather grammatically informal.
