L.O: we are learning to use fronted adverbials, expanded noun phrases and accurate punctuation.

Book review: Jemmy Button

Jemmy Button is an adventurous story that is non-fiction. ^{It is by Jennifer Uman and Valerie Vidal.} ~~Published in the two thousand and three.~~ ^{thirteen.} ~~to meet a boy and offer to take~~

The story

Visitors come to meet a boy and offered to take him to ~~a~~ their civilised world. Jemmy is taking a chance of a lifetime to ~~show~~ follow his dream. ~~Though will he take that risk and go?~~ Why did he leave? Where did he go? ~~Though~~ Though Will he even take the risk?

Good features of the book

This tale is an ^{heart warming,} eye catching story with plenty of high quality pictures.

Secondly the illustrations are vivid, colourful and absorbing. These ^{mysterious} strangers who ^{frightening} appear on Jemmy's home land

make strange ^{subjects} in the dark, spying on a poor, small boy. This ^{uncertain} ^{tension} ^{and} ^{attention} ^{grab} ^{the} ^{reader's} ^{attention} ^{and} ^{effect} ^{attention}

and makes you yearn for Jemmy's safety when reading.

→

A bad feature about the book.

A bad feature of the book is that it is extremely short. and People would wonder 'Why would he leave?' and 'How could he betray his family.' That, you may not like about how the book. Only it lastly has a small amount of adjectives and doesn't describe most ^{effect}.

I ~~a~~ Recommendation.

This book is recommended for a bedtime story ^{or} for young children to read to. ^{why?}
