L.O. we are learning to use conjunctions

Today was our diary day until Cassius came in and told me some alarming news.

As far as

~~As far as~~ I listened very carefully to his words and I said "but Cassius my friend" I said no it was mad and stamped my feet in rage but then I realised he would be a typhoid carrier that I stood in deep throats although he was not in front of me. Cassius is only ^{national} FOOT less head.

As far as

I heard what Cassius said ^{which} ~~which~~ he said for hours so I ^{reputed} "really" in his face (ph) he was very red about it so he got very very angry so he stamp I heard he was
