LO: we are learning to use a
range of sentence openers.

Dearest Calpurnia,

I thank you for your letter I am
sorry that you are concerned about
your nightmares. I will reassure
I help you and I hope your terrible
nightmares disappear in a click.

I think you should stop worrying
about it and take deep breaths and
relax. Do not listen to anything, stay
or watch anything scary and cover
your ears, and think happy thoughts
but just in case I have said you sound
bloody to keep the wise out. You should
not let your husband go to the senate if
you are worried about him.

If my advise does not help I
will be in contact for you.

Kind Regards Aunt Sibyl.
