Draft and write by selecting the appropriate Grammar and Vocabulary.

Dear Diary,

A lot has been happening in my life at the moment. a lot has been going on since I ran from the Philoysers office. I found my-self in a dark hide hole between two buildings and inside a bin I found a load of yummy treat I was enjoying my-self when this man found me. He been saying to me his name is Mr Tapscrew.

When we arrived back to the man with a house on wheels I felt ok. He told me that I'm going to be part of a circus. He was creating me a costume and said "it will be new you!"

Once he made my costume then he showed me to Mrs Tapscrew and then just said your name isn't Rodger anymore your new name is ratboy. I said what boy? Ratboy said Mr Tapscrew. I felt confused because Bob and Joan gave me that name Rodger.

I don't have a clue on what Mr Tapscrew is doing with me but he put me in a

big black horrible cage ~~thing~~. It was so horrible and weird. Oh my costume had lumps and bumps and boils on it which made me look even weirder than I was already. I miss Bob and Joan so much.

So off I went onto stage and I went on and remembered what Bob and Joan told me that I have to be a good boy. So I just went with the glow. Suddenly people started throwing good at me. I don't really have a clue on why this is happening. I really miss Bob and Joan.

The tapscrew weren't feeding me!
