

11.2.20 LO: I am learning to use and as a connective.

I like Sofias space  
~~dog~~ because it is  
cute and spacey.

I like Sofias dog  
ears because they are  
spacey ~~and they are~~

~~I~~ Once a long time  
there was a  
fish that wanted  
to go to space then  
he got his space  
ship and he travelled  
away to the moon.

Then he saw a  
man ~~that~~ then  
took them three then  
four.
