Thursday 18th July KS2 Celebration Assembly 9:10am - invited parents only

Friday 19th July End of Term 1:45pm

Year 6 Production

We have been astounded by the quality of the Year 6 production this year! Year 6 and Choir's performance of Beauty & the Beast has been impressive, with the children doing brilliantly well to remember all their lines, songs and cues whilst having to manage some quite challenging costumes and set changes. All of the children should be proud of what they have achieved and we look forward to the last show this evening – well done children! Thank you to the parents who have supported their child throughout the last few weeks, learning lines and helping with costumes. The Year 6 team have also worked incredibly hard to prepare set, props and costumes alongside supporting the children with rehearsals. Particular thanks to Mrs George, Mrs Leka & Mrs Montellier whose creative skills and effort have significantly helped bring the show to life. Lastly, our very special thanks to Mrs Dangel. This was Mrs Dangel's 11th end of year production and each year we wonder how she'll beat the year before's, but she always does! We are so grateful to Mrs Dangel, not just for her hard work, commitment and belief in the children this year, but for the last 11 years of fantastic shows – thank you!

If you would like a memento of the show, a copy of the order form is attached to the newsletter. Please return them to the office by Weds. If you miss this deadline they can be sent directly to George Epsom, our videographer. Given the closeness of the end of term, postage is included in the cost and your DVD will be sent directly to your address. The beautiful photos Mrs Stewart took this week will also be shared with parents via a one-drive file; you will receive a link to this shortly via email. Our thanks to Mrs Stewart for giving her time to photograph the children and provide them with another lovely souvenir of their show.

The Summer Camp is almost here!

Final plans are underway for the Lumen Summer Camp 2019. Based at our Saxon school site a wonderful time awaits the children joining us either for the odd day here and there or for week-long bookings. Children will be able to have fun in the pool, take part in sporting activities or maybe enjoy some arts and crafts along with daily themes including Space, Circus, Under the Sea, Pokemon and of course, Superheroes!

Lumen Summer Camps

The Camp is staffed with our teachers and TAs from Echelford, Saxon and Riverbridge so your child can be guaranteed to recognise at least one friendly face from their school. Take a look at our Facebook page to see who will be there by clicking on this link <https://www.facebook.com/Lumen-Summer-Camps-296078941054455/>. In addition, because it is our staff running the Camp, you can be sure that any additional

needs your child may have such as allergies, a medical condition etc. will be fully supported by our Camp staff team. If your child has additional needs that you would like to discuss with us please feel free to contact the Camp leaders Miss Kober and Miss Redman by emailing summercamps@lumenlearningtrust.co.uk

If you would like more information regarding how to book a place at our Camp please visit <https://www.lumenlearningtrust.co.uk/page/?title=Booking+%26amp%3B+payment+portal&pid=1699>

For those parents that have already booked you will naturally have some questions about what your child can expect at Camp and the format of each day. Our website includes all pre-Camp information you will need including food arrangements, pick up and drop off times and what your child needs to wear to Camp. All this and more can be found on our website by clicking on this link - <https://www.lumenlearningtrust.co.uk/summer-camps/faqs>

Safety Outside of School

Messages have been shared with the children in KS2 this morning about their safety outside of school. As the summer approaches, they will no doubt be out in the community enjoying their holidays, often without the supervision of an adult in the case of our oldest children. Please can parents support this message at home, particularly around cycling and road safety. Thank you.

Library Bus

There was much excitement this week as our library bus finally made its journey from Southampton to Shepperton and arrived in school on Monday! We are delighted with the outcome and think it makes a fabulous addition to our school. The children have been visiting the bus today and the sense of excitement from them has been tangible. The staff now has the task of filling the bus with our books, which will take place over the holidays, and we thank them in advance for the time they will spend carefully thinking this through, and the hard work taking all the books across from the studio where they've been stored. We would also like to thank the following people who played a big part in this project: Mark and his team at Qualiti Conversions for the brilliant job they did transforming our bus; Mrs George for her fantastic creativity in bringing to life our vision for the bus; the Lumen Learning Trust for supporting us financially in this project; the SSA and our whole parent community for raising a significant amount towards the bus and, lastly, to our School Business Manager, Mrs Muir. We don't think 'can you please source a bus and turn it into a library' was something Mrs Muir would ever have thought we'd ask of her in her role as SBM, but she rose to the challenge! Mrs Muir has worked incredibly hard on this project, from liaising with us and Qualiti Conversions to make sure it was perfect to ensuring it's fully equipped with air conditioning and wifi! It has been a huge task on top of her day to day work and we can't thank her enough.

Book Giveaway!

As we have begun the process of sorting our library books, it is apparent that we have so many new and wonderful books for our library that we don't have space for some of our older books. These are still in a good condition and therefore we want to do something worthwhile with them. On Monday and Tuesday, outside the music studio, we will be holding a 'book giveaway' after school. Parents are invited to come and have a look and take away a book or two to keep. There will be a range of books for all ages so please do come and see what there is, it will be first-come, first-served!

Maths Website

There may be times over the upcoming holiday that the children will be keen to practise their Maths skills! Don't forget about our maths website which has lots of games and activities the children can have a go at when they want to: www.saxonmaths.weebly.com See flyer attached for details.

Secondary School Open Evenings

Please see below for the dates for the Autumn Term.

Flyer also attached below for STARS drama group.

Summer Reading Challenge

The Summer Reading Challenge starts at Shepperton Library on 13th July and runs until the 14th September. Developed by The Reading Agency and delivered by libraries, this annual event for children aged 4 to 11 years is designed to help maintain and develop children's interest in books and reading over the summer holidays. This year the Reading Challenge is called 'Space Chase'. The children will receive a free collector folder and stickers, incentives along the way and a personalised certificate upon completion.

Published Writers

Each week we celebrate two children's writing from each class with parents, which can be found on our website; just follow this link:

<https://www.saxonprimary.co.uk/page/?title=Published+Writers&pid=1580>

Stay on Green

Consistently demonstrating green behaviour choices throughout the entire week and therefore receiving a golden leaf this week were: Lamaar, Arthur, Billy, George, Henry, Cody, Teddy, Poppy & Daniel (RD); Rohyn, Olivia, Ted, Isabelle & Mae (RH); Tabitha, Jessica & Isla (1DS); Lucy, Olly, Chloe, Halil & Jessie S (1P); Daniell, Dean, Seth & Maiya (2G); Charlie, Jack & Sadie (2V); Levi & Marlee (3F); Alfie, Samuel, Syke S (3W); Demi (4K) Freya P, Oscar, Scarlett, Thomas, John-William, Dylan, Nathan & William (4R); Daisy & Dylan (5H) and Esme, Evie, Amber, Lily, Florence, Marcus & Olivia (5R) very well done to these children.
