16th July 2019

Dear Parents and carers,

As children become older, some parents feel it is suitable for their child to walk home from school without being accompanied by an adult. Please be aware that we are unable to release a child from the playground unsupervised unless we have received permission from a parent confirming their consent. Should the collection arrangement change for your child, for example if they are to be collected by another parent or are walking back to another child's house rather than their own, you must still inform the office as this is a change from the usual arrangement for your child to walk home independently.

We would respectfully ask parents to discuss with their child the importance of behaving in a mature and considerate manner when walking home as well as how to keep safe while unsupervised. Furthermore, to clarify, children that are walking home are expected to leave immediately at the end of the school day. Saxon Primary School is no longer responsible for any child once they have left the school grounds and parents/carers take full responsibility and liability for their child's safety, wellbeing and behavior from that point.

Yours sincerely,
 Miss Kober and Miss Revels-Hull
 Year 6 Teachers

For the attention of the school office,

APPLICABLE TO YEAR 6 ONLY

I give permission for my son/daughter to walk home from school each day unless I otherwise inform the office.
 I understand that children that are walking home are expected to leave immediately at the end of the school day.

I understand that Saxon Primary School is no longer responsible for my child once they have left the school grounds and I take full responsibility and liability for my child(rens)'s safety, wellbeing and behavior from that point.
