LO: We are learning to use descriptive language in our writing.

Dear diary,  
② Yesterday I went out on my boat and suddenly BOOM! A storm erupted out of the sea. I was really scared because the storm was as tall as a skyscraper. I told Mowzer to sing as loud as she could ever sing to calm the storm down. When I saw the storm pouring over us I was terrified. I wanted to get back to the calm, safe mousehole. But I didn't want to go back without a catch. The storm was still pouring over us and it felt like it was its giant's spout. I could taste a lot of salt in my mouth. I could hear the waves splashing ~~over~~ our boat. How terrifying it was. Our boat was rocking about. ~~Extra~~ ~~sentences~~.
