L.O. We are learning use description in our writing

The storm

~~I~~ ~~for~~ ~~once~~ upon a time ~~I~~ ~~they~~ had to be a hero - ~~the~~ everybody in the village was stuck. So I calmly ran in to my tiny boat then the raging halibuts and the unholy rain sea me. The waves were raging with anger it was like I was riding waving. I eagerly waited for some fish ~~just~~ then I saw the red shark I had a fish. But it was just one and I needed more so I decided to put my net out. A few minutes later I pulled it in I had lost of fish. So I went excitedly home and the village was so shiny proud of me I said I am a hero. So I went back to my house and gave some of the fish to my cat mouser.
