L.O: We are learning to use noun phrases in a sentence.

R. Portin nyoor  
 Lili and her **children** will be losing water and  
 the crops are not growing because the **burning**  
**hot sun** will make them stop growing. The villagers  
 had to stay in their houses because the **cold**  
**days** never come to Kenya. The **fierce** villagers  
 are here because they are losing water and the  
 days just won't come.

Super - you have used lots of noun phrases!
