## About the trip

We will be travelling to Antarctica so we can discover new things about this icy world and what creatures live there. Captain Shackleton only recruits you if you are the best of the best of your kind & talent. If you get into Captain Shackleton's crew there is no turning back. If you don't come you will miss out in once in a lifetime experience. You could even be the first man on earth to step onto the beautiful ice that rules Antarctica. You will be jealous if you don't come because I would not be the odd one out if I was you.
