boring. Like being a sailor a Rover,  
Medic, Look out, cleaners, cooks the  
captain and the fishermen. My job was  
to cook the caramel, mint ice cream and  
and flavored oreo whipped cream, Butter scotch  
pie. At 9:30, I jumped on my violet bed  
to fall asleep. Although it was shipshy as  
a cloud, I felt sea sick.

5p One morning, when I woke up, there  
was choppy sea. Then a wool pool  
came! I heard a heard a scream  
~~so~~ saying "TAKE COVER!". So I held  
my breath and I hid under my bed. After  
the storm calmed down, I saw something  
in the distance.

It was Victoria England! There were bees
