We are learning to ensure consistency in our writing.

My dear mum, how much I miss you, I cannot explain.

I have had a wonderful time here in Little

Wireworks ^{amazing} all the people are so nice here. Even the

school is wonderful, and clean, the teachers do not

insist ^{at} hitting the children at any incident! This

town is far different from the city. I have seen

many new places such ^{as} a Farm, Forests and

Play grounds ^{and} a field with toys ^{and} children.

As I said, the people are so nice that I have

to tell you about them, Mum. My new family is

wonderful, Doreen and Mrs Little are the most

caring people in the village. These two are not as

great as my new friend William, yet I call

him Will. He is lovely but is struggling

in many ways. Will is trying to be able

to read so as I love to read I will be

showing him. ^{we will be having many} How to enjoy our adventures. William is

not as different from me because he is an

evacuee as well, he looks like me but shorter, younger

and dumber. His new family is wonderful, just

like mine yet he only has Mr Okley or known

as Tom. He is more ^{could call} ~~motorway~~ than Will as he

is so funny and generous!

I & you are wondering I am all ^{peachy} ~~ready~~ ^{good} over here!
Everyone looks after me and makes sure I am
Safe, well fed, hydrated, and much more, as I am
sp like there own child. The school is secure and so is
everywhere else. I miss you dearly and hope to be
with you soon.

I have been treated like I have been here my whole
life, because every body knows and understands me. It
is so exciting. Nobody has bullied me or
called a evacuee yet, it is just Zach. There is
not much to do here but the adventures and
and my friends go on are marvellous.

To explain more about Doctor and Mrs Little then,
they are very overprotective. They told me that
that Mrs Little has been wanting to have or
adopt a child for a long time, so having me is
could carry for them. Roger Roger that.

The school I go to is clean and exciting. The things
I do there is amazing, some things they teach
you there, I would not have known at my old
school. My teacher is Mrs Harridge and she is so
kind and understanding. I love her as my teacher.
