

Learning Objective:

We are learning to organise paragraphs around a theme.

Paragraphs are a collection of sentences. They are used in writing to introduce new sections of a story, characters or pieces of information. Paragraphs help readers to enjoy what has been written because they break the text up into easy-to-read sections.

To support you with organising your paragraph, you can use a tree map plan, a story map or the planning template below:

Organise the story into paragraphs and complete the story using your own imagination.

Questions to support your writing:

Does Spy Fox save the world? If so, how?

What happens to Dr Hammer and his sardines?

How does he save Lily?

What happens when the countdown reaches 0?

- ❖ If you are unable to watch the video, please use the story starter and pictures below to help you create an adventure story.

Story Starter:

All is peaceful on the Southern ocean as the penguins relax on their icebergs. As the penguins float joyfully, a piercing red laser beam surges towards them. Dr Hammer- and his evil crew of sardines- are testing their weapons of mass destruction, in a plot to destroy the world.
